

Updated Visitation – December 8, 2021

TCU: Open to visitation at this time.

Clergy Team : FULLY VACCINATED members of the clergy team are permitted into the room for patient visitation. Appropriate PPE must be worn at all times.

ICU: One visitor at a time with swap in/out during the hours of 12p-2p, 3p-5p, and 7p-9p.

Floors: One visitor at a time with swap in/out from 8a to 8p.

Comfort care only (CMO) patients: 2 adult visitors 24/7, each can swap out with another adult visitor – max of 2 visitors at any one time. Visitors must wear specified PPE and remain in the patient's room as much as possible during visitation. Family meetings to discuss goals of care will be scheduled at the discretion of the medical/palliative care team.

OB: Two visitors permitted both must have a negative COVID test, only one may spend the night. These two visitors may come and go but may not swap out with other visitors.

Pediatrics: Two visitors, one at a time only. If a parent/caregiver is positive for COVID they should be asymptomatic and only one parent/caregiver is permitted and must isolate in the room with the child. They are not permitted to come and go.

IPMH: Currently at one visitor for one hour daily.

Stepping Stones: Currently no visitation.

ED: One visitor at a time with swap in/out.

*Visitation for children will be considered in consultation with the family and the care team on a case by case basis.

*Cafeteria is open to visitors as well as the Liberty Snack/Gift Shop.

This policy will be under future consideration for adjustments based upon local COVID-19 activity. If you have any questions please contact the administrator on-call.
