McGLINN

2013 Dr. John B. Nesbitt Physician Philanthropist of the Year

The Meadville Medical Center Foundation had the honor of presenting our first 2013 Physician Philanthropist of the Year award to Dr. AnnaLiisa McGlinn, MD, Oncologist, at the Meadville Medical Center Physicians Ball.

Dr. McGlinn was recognized for her excellence in the field, her leadership in the community and the generous philanthropic support she and her husband, John, provide to the Foundation.

Numerous community fundraisers and countless relationships are fostered because of Dr. McGlinn's unwavering kindness and willingness to spread the word about the good deeds that are being accomplished at the Meadville Medical Center Foundation.
