

# ROBERT MOYERS

2016 Dr. John B. Nesbitt Physician Philanthropist of the Year

Robert N. Moyers, MD was a Family Practice physician at Meadville Medical Center (MMC) for 35 years. He has cared for generations of families and provided exceptional service to our community. After the closure of his practice, he graciously volunteered countless hours at the Meadville Area Free Clinic.

Since his retirement in 1999, he and his wife, Bobbie, continue to contribute financially to MMC and the community.

They believe in continuing a legacy of support and have included Meadville Medical Center in their estate plans. It is important to them to help provide for the future generations of our community.

The Meadville Medical Center Foundation is extremely humbled and grateful for all the support given by Dr. and Mrs. Moyers throughout the years.
