ADDENDUM F

AGB - Amounts Generally Billed

36%

MMC has chosen to use the look back method which utilizes 12 months of allowed claim payments made to MMC by Medicare and all commercial payers divided by gross charges. The result provides the maximum percentage of gross charges that an FAP eligible individual may be asked to pay; with the inverse representing the minimum financial assistance discount that will be offered. This AGB and if necessary the related discounts given to individuals will be updated annually.
